HOW SILICON VALLEY TURNED INTO BROTOPIA

"I think there would be two enormous differences," the longtime investor Roger McNamee told her, when she asked him to imagine a world where women held half the jobs in Silicon Valley. "I think Silicon Valley would be wildly more profitable. I think there would be a significant reduction in the number of absolute failures." **Jessica Bennett**

BRO PROBLEM

BROTOPIA

A Film by **Eléonore Pourriat**

He's spent his life ogling women. Now he's at their mercy. To survive in this strange new world where gender roles are reversed, he'll have to grow up fast.

Inspired by Pourriats short film
"Oppressed Majority".
